~WRE trial introduced outside M&S – Victoria and Church Road – large section of road 30mph – 1,300 cars. Will be undertaking a further one outside the Citroen Garage in the Spring. Volunteers have been kept during this time and hopefully more will be recruited during the winter break. Given opportunity to work with DP enforcement officers – but this was declined as the aim is to slow motorists down. Advice letter is given not a Fixed Penalty Notice. Thank you for help for SID – turned down by RLA – this means that soon we won't have any SID (speed indicator device) activity in Ferndown. Keep SID on radar for next year's budget.
